

Steering Wheel

The Delta 21 Steering Wheel 8+ contains 3 different 3D games that are challenging for kids from 8 years and older. In the main menu, you can choose one of the three games. By turning the steering wheel, you can navigate between the different games. The cabinet suits in any room and with any interior. The steering wheel and neutral white look makes this a real eye-catcher for your business!

See all information about the games on the next pages!

Blocky Shooter

Clear the blocks! By turning the wheel, you can aim for blocks of the same colour. Press the right button to shoot the blocks, use the left button to change blocks. If you shoot with a bomb, more blocks will explode. You can choose the character you want to play with. Can you clear all the blocks in the least amount of moves?

Chicken Pursuit

The chicken drops the eggs, navigate with the steering wheel to chase the eggs! Make sure you catch them all! With every egg that falls on the ground, you lose a life. When all 3 lives are lost, the game is over. The chicken also lays eggs which hatch. When the chick is full-grown, it will also drop eggs to catch! The chicken will also drop other objects. If you catch a hat, the hat on your head will change. If you catch a bomb, you lose a life! A clock will slow down time and a heart will add a life to your life. Choose your favorite character at the beginning of the game, and catch as many eggs as possible!
